MEMORANDUM FOR: Chief, Policy and Coordination Staff  
Directorate of Operations

STAT

FROM:   
Director of Security

DCID 1/10

SUBJECT: Review of DCID 1/10

1. The Security Committee (SECOM) has established a working group, chaired by the Defense Intelligence Agency, to review DCID 1/10. Attached is a copy of DCID 1/10 together with background memoranda. This Agency has been invited to provide a member for the working group.

2. I believe it would be appropriate that the Directorate of Operations represent the Agency in any revision of DCID 1/10 and, accordingly, invite you to nominate a member of your Office for this purpose. I would propose that the member effect contact directly with the working group chairman, identified in the attached documents. I would appreciate your also advising me of your selection for record purposes.
